Dear Parents and Carers

We have been reviewing the information that we provide to parents regarding your child's progress following some suggestions shared with us through our Parent Survey recently. I am delighted to inform you that we have purchased a package of national assessment tests for all of our Key Stage 3 students, which will provide you with information, which we believe you will find extremely useful.

To this end, your child will shortly be sitting online tests in English, Maths and Science. We will then be able to provide you with some clear information regarding their achievement.

We really appreciate feedback from parents and are keen to act on any concerns or suggestions raised. Thank you for taking the time to complete our survey, we hope that this move to a nationally based assessment system demonstrates our commitment to working in partnership with parents.

Yours sincerely

Mr I Verow

Deputy Headteacher
