Dear Parents and Carers

## Year 10 Timetable

We recently contacted you regarding some changes we were hoping to make for January with regards to moving to a one-week timetable. Following feedback from students and parents, we are delighted to confirm the following:

- We will be moving to a one-week timetable in January when students return from their Christmas break, thank you for the overwhelming support for this.
- We have reviewed our timetable and have been able to maintain the current number of GCSE subjects studied for all students, whilst providing additional lesson time in two of their option subjects and in Science. We will aim to provide additional time in the other two subjects when students move into Year 11. To confirm, all subjects meet or exceed the national requirements for the number of Guided Learning Hours (i.e. the time students have in lessons in each subject).

This week, we have been conducting 1:1 interviews with every Y10 student and talking to parents to ensure that your views are taken into account. Some students would like the opportunity to review the current subjects they are taking, and we shall look into this further next term on an individual basis.

Thank you for taking the time to share your views with us, we have listened to both your support and your concerns and acted accordingly. Working in partnership with parents is very important to us and we shall continue to listen to the views of our parents as we move forward.

Best regards

**Mrs Kerry Inscker**  
Executive Principal

**Mrs M Hobson**  
Head of School
