Dear Parent & Carer

Re: A New Parent App to Allow Easy Access to Important School Information

To comply with new Data Protection Regulations (GDPR) we will have a new way for you to update the information we hold about your child. You can access this system from a smartphone, tablet or PC.

The SIMS Parent app will allow you access to update your contact details, so we always have the most up-to-date information in case of emergency. If you have more than one child at school, you'll have access to information for all your children from the same app.

For security purposes, we will only accept changes to personal data via this app going forward.

If we do not have your email address in school, please send it in as soon as possible.

Getting started with SIMS Parent app

1. We will send you an activation email this week. Simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then log in using your normal Facebook, Twitter, Google or Microsoft username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App Store – search for Sims Parent.
4. From a PC or Windows phone, log in online at www.sims-parent.co.uk.

Please note that your activation code is unique to you and should not be used by anyone else. If you require an additional login then please contact your school. Your activation email, when sent, will expire after 14 days if not used, please contact your school if you require a replacement after this date.

Yours sincerely

Mrs M Hobson
Head of School
