

10th September 2020

Dear Parents/Carers

Re: Purchasing of food/drinks

I would like to take this opportunity to welcome you back to The Orme Academy. Over the summer period, there have been some significant improvements to the school site; undoubtedly, these changes have had a positive impact.

It is a pleasure to see all of our students back in lessons fully equipped, working conscientiously and making excellent progress. Their attitude towards the new routines that have had to be put in place has been fantastic and they look so smart in their new uniforms! Thank you for your support in helping to create a positive, efficient start to the academic year.

I am pleased to inform you that from the week commencing Monday 14th September the Academy will be in a position to provide food at lunch times onsite. There will be a selection of hot and cold options available to your child in their assigned break and lunch area. Students will be able to pay for items in the normal way using biometrics.

I have attached a menu to enable you to see what is on offer.

Should you experience any problems in accessing this menu or want to seek further information please do not hesitate to contact the Academy.

Yours sincerely

Mr Ian Verow
Vice Principal
