ATTENDANCE AND PUNCTUALITY POLICY

Introduction

At Wolstanton High School we are committed to working together to ensure all children receive the best education possible and to enable them to make progress and do as well as they can. For this to happen children clearly need to be in school. This policy aims to make clear what is expected of parents and children and to assure parents of our willingness to work positively with them if problems arise.

Responsibilities

The Head of School has overall responsibility for attendance at the school. The school's attendance system is overseen by Mr D Moore, Deputy Headteacher. The school Attendance Officer, Mrs L Downs, is responsible for the day to day running of the school's attendance system. Form Tutors have a responsibility to complete attendance registers accurately and on time, and to regularly inform their tutor group as to their attendance.

Key information about absence

Examination of national data from 2005 shows a strong link between average absence levels in schools and a child's attainment:

- 90% of children gain five or more good GCSE grades at schools with an average absence of 7.5 days or less per child
- Only 31.3% of children gain five or more good GCSE grades at schools with an average absence of more than 20 days per child

Research shows that young people who are absent from school without permission are **most vulnerable** to being drawn into crime and anti-social behaviour and **more likely to be unemployed** after leaving school.

- A recent Youth Crime Survey showed that 45% of young people in mainstream education who have committed an offence say they have been absent from school without their school's approval
- The survey also showed that 62% of 10-16 year olds who have committed criminal or anti-social behaviour have also had periods of unauthorised absence

Obviously, children who do not attend school regularly are **less likely to achieve** their target levels and/or GCSE grades.

Did you know?

90% attendance might sound impressive, but actually ...

- If a child has 90% attendance over a school year, this means that 4 whole weeks' worth of lessons have been missed
- If 90% attendance is maintained over 5 years, half a school year will have been missed overall
- Research suggests that 17 missed school days in a year = 1 GCSE grade DROP in achievement

Principles

Promoting positive behaviour and excellent attendance is the responsibility of the whole school community. The school will promote the importance of positive behaviour and good attendance through the curriculum and personal/social opportunities. Good attendance and behaviour by pupils will be recognised appropriately. All children should be at school, on time, every day the school is open, unless the reason for the absence is unavoidable. We will ensure that parents are aware of attendance matters as they relate to their child and work with them to ensure good attendance and punctuality.

All children are sometimes reluctant to attend school. Any problems that arise with attendance are best resolved between the school, the parents and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse. Permitting absence from school without a good reason is an offence by the parent.

The attendance policy includes procedural referral agreements that are designed to promote and safeguard the welfare of pupils.

Registration

Schools are required by law to take an attendance register twice a day and this shows whether the pupil is present, engaged in an approved educational activity off-site, or absent. If a pupil of compulsory school age is absent, every half-day absence from school has to be classified by the school as either **AUTHORISED** or **UNAUTHORISED**. Only school can authorise the absence, not parents. This is why information about the cause of each absence is always required.

Authorised absences are mornings or afternoons away from school for a good reason like illness, medical appointments or other unavoidable cause.

Unauthorised absences are those which the school does not consider reasonable and for which no "leave" has been given. This includes:

- parents keeping children off from school unnecessarily
- truancy before or during the school day
- absences which have never been properly explained
- children who arrive to school after the close of the register
- school refusal
- holidays taken during term time that have not been authorised by the Head Teacher

When completing the register, school follow the DFE school attendance guidance to determine which relevant code to use; <https://www.gov.uk/government/publications/school-attendance>

The register will be taken twice a day, at the start of the morning and the afternoon.

Morning registration:

The morning register is taken at 8.30am. Children arriving after the register has been taken but before 8.50am are recorded as late – L.

Registration closes at 8.50am. Children arriving at school after this time are "late - after registration closes" and this will be recorded as an unauthorised absence unless there is an acceptable reason for the lateness – U.

Afternoon registration:

The afternoon register is taken at 1.45pm.

If lateness is a cause for concern, the following procedures will be followed;

1. Parents will receive a letter informing of the concern
2. The Education Welfare Officer (EWO) from Attend EDC will contact Parents to further discuss and offer support and advice to improve punctuality
3. Parents will be invited to a meeting with the EWO. The discussion held will be documented by the EWO and an action plan to improve school attendance will be devised with Parents and the pupil during the meeting and a review date set if needed.
4. If no improvement is seen, the school may follow Staffordshire County Councils Code of Conduct for issuing penalty notices for persistent lateness. More information can be found at; <https://www.staffordshire.gov.uk/education/welfareservice/Attendance/home.aspx>

Absence

Parents whose children are experiencing difficulties should contact the school at an early stage and work together with the staff in resolving any problems. This is nearly always successful. Alternatively, parents or pupils may wish to contact the Education Welfare Officer (EWO) from Attend EDC themselves to ask for help or information. They are independent of the school and will give impartial advice. Their telephone number is available from the school office.

If a child is absent from school, we ask parents to:

- Contact the school by 8.50am on the first morning of absence either by telephone (Child Absence Line – 01782 742902 or access Insight and submit an absence form. Parents/Carers should advise us at this point as to the reasons for absence and also how long they expect the child to be absent from school. If this unclear, keep in regular contact with us to update us on the situation.
- Send in a letter explaining the reason for absence when the child returns to school
- Reply promptly to any request or inquiry concerning an absence

If parents do not contact the school on the morning of the first day of absence, a member of the administration staff will try to contact them to find out the reason for absence. This ensures that the parent is aware their child is not in school enabling the parent, where necessary, to establish that their child is safe. If a reason for absence is not known by 9.30am, school will request the EWO from Attend EDC to establish contact either by telephone, text message or a home visit may be completed.

If a child is expected to be absent from school for a period of more than a week, parent/carers should contact school to arrange for work to be sent home (if the child is physically well enough).

A reason for a period of absence is always required. The school will contact parents who have not offered a reason and after a two week period, will mark the absence as unauthorised if no suitable reason is provided.

Children Missing in Education

Schools have a duty by law to refer any absence of 20 days or more to Staffordshire County Council's Children Missing in Education department where they have been unable to make contact with the parent/child or have general concerns about the absence.

In order to avoid any referrals, parents are requested to inform the school if they are moving house/area or country and to provide a forwarding address, contact number and the name of new school if known.

Medical Absence

Schools have the responsibility to decide whether an absence can be authorised on medical grounds. In a few cases parents may be asked to provide evidence that their child is too unwell to attend school by providing a note from a medical professional. If the school has concerns about the level of medical absence that a pupil has incurred they will contact the parents/carers to discuss it further and to find out whether their GP or other health professional has been contacted.

If attendance does not improve the school may request parents seek a note of explanation from the relevant health professional or may involve the school nurse. If despite the request for the note of

explanation, no note is forthcoming, school may not be able to authorise absences unless satisfactory medical evidence is provided to support the pupil's inability to attend school.

Long term medical absence

The school follow the procedures set out by Staffordshire County Council "Children who are missing Education due to Health/Medical Needs" More information can be found at;
<https://search3.openobjects.com/mediamanager/staffordshire/hub/>

Medical and Dental Appointments

We expect parents to make medical and dental appointments for their children before or after school or during the school holidays whenever possible. If this is not possible then confirmation of the appointment will be required prior to authorising the absence. Children are expected to attend school prior to the appointment and parents expected to return their children to the school following the appointment whenever possible.

Requests for leave of absence

Leave of absence requests, including holiday leave requests, may only be granted in exceptional circumstances.

If a parent wishes to request leave for their child for any reason they must apply in advance and in writing using the leave of absence request form which can be obtained from the Attendance Office. Where a child does not reside with both parents, it is the responsibility of the parent making the request to inform the other parent. The school will send a reply to both parents.

If a request for leave has not been received and we have reason to believe a pupil is on holiday, a letter will be sent to Parents requesting medical evidence. If no medical evidence can be provided the absence may be coded as unauthorised and a penalty notice request sent to the Local Authority. Parents will also be requested to attend a meeting with the Education Welfare Officer.

Rewarding good school attendance

At Wolstanton we value rewards above sanctions and with that in mind attempt to recognise achievement of strong attendance and punctuality as appropriate.

- High attendance is recognised on a weekly basis through the Pupil Bulletin with the best attenders receiving merits and recognition.
- Attendance postcodes are issued every two weeks.
- Attendance assemblies see pupils rewarded with congratulations and rewards.
- Attendance is one of 6 categories used to create the best in class list which is recognised and celebrated in awards assembly on a termly basis.
- Strong attendance over a longer period of time is rewarded with rewards trips.
- Over time pupils are rewarded on a Gold, Silver, Bronze badge scheme to recognise their achievements.

As with everything we do, reward and recognition are key.

Monitoring attendance and lateness

The school aims to achieve at least 95% attendance each year. To help with this, we monitor attendance regularly. The school has established a system for monitoring attendance and lateness, the purpose and aims of which are as follows:

- To improve the overall percentage of attendance and improve pupils' punctuality at school.
- To make attendance and punctuality a high priority for all those associated with the school including

pupils, parents, staff and governors.

- To provide support, advice and guidance to parents and pupils.
- To develop a systematic approach to gathering and analysing attendance and punctuality related data.
- To develop and implement an effective system of communication between school and home.
- To reward good attendance and punctuality.
- To work effectively with the Local Authority and other agencies that support attendance and punctuality

Our Independent Education Welfare Officer from Attend EDC regularly monitors children's attendance that fall below the school's annual attendance target. Where there appears to be a particular problem with attendance, the following procedures are applied;

- A letter is sent to Parents informing them of a decline in school attendance and the need for this to improve due to the impact on the pupil's education
- If school attendance continues to decline, a further concern letter is sent to Parents
- If still no improvement seen, Parents and pupils will be invited into a meeting with the Education Welfare Officer to discuss the concerns and to offer support around any possible barriers or problems at home or at school which may be contributing to poor school attendance. The discussion held will be documented by the EWO and an action plan to improve school attendance will be devised with Parents and pupil during the meeting and a review date set if needed.
- If school attendance does not improve, the school may follow Staffordshire County Councils Code of Conduct for issuing penalty notice. More information can be found at;
<https://www.staffordshire.gov.uk/education/welfareservice/Attendance/home.aspx>

Circumstances where a Penalty Notice may be issued

Parents/carers have the legal responsibility to ensure that their children attend school regularly and on time, properly dressed, with the correct equipment and ready to learn. Parents may be prosecuted if a child does not attend school regularly and punctually. This will be done under the 1996 Education Act, Section 444. It aims to ensure that parents carry out their duty to secure suitable education for their children. If a child is in the care of foster carers or in a residential home, it is important that the carers recognise their parenting role where attendance to school is concerned. They will be supported by close co-operation between the school, education welfare services and social services where such a child's attendance is irregular.

Penalty Notices may be considered appropriate if one of the following criteria is met:

- There is unauthorised persistent absence. "Persistent" means at least 20 sessions of unauthorised absence over a period of twelve school weeks, excluding holidays. These absences do not need to be consecutive.
- There is a period of absence not authorised by the head teacher or in excess of the period authorised by the head teacher.(e.g. family holiday)
- Persistent late arrival at school, i.e. after the register has closed. "Persistent" means at least 10 sessions of unauthorised late arrival over a period of 12 school weeks, excluding holidays. These late episodes do not need to be consecutive.
- The presence of an excluded child in a public place at any time during school hours in that child's first five days of exclusion. An "excluded child" is one who has been excluded from school for a given period under the Education and Inspections Act 2006.
- A Penalty Notice will not be issued in respect of children in the care of the LA with whom other interventions will be used.

A session is equivalent to half a day in school.

Other conditions

- There will be no limit on the times a Penalty Notice for unauthorised leave of absence can be used in an academic year.
- In cases where there is more than one pupil in a family with unauthorised absences, Penalty Notices may be issued for more than one child

- Use of a Penalty Notice or formal warning of a Penalty Notice for unauthorised persistent absence / lateness will be restricted to one notice/ warning per parent of a pupil per academic year.

As part of this process the parent(s) will first be issued with a 20 day notice period, clearly advising that if unauthorised absence / lateness occurs in this 20 day period, a Penalty Notice may be issued. This is to allow the parents a further period to address their child's irregular attendance by working with the school or other agencies. It is part of a scaled approach and affords the parents an opportunity to avoid receiving a penalty notice. This is seen as good practice and integral to a proportionate response.

Therefore, the process is as follows:

- School completes and signs a penalty notice request form.
- School provides the pupils attendance registration certificate signed by the Head teacher / Principal – or their nominated deputy – confirming that non-attendance / lateness during the period was unauthorised.
- School provides an assessment and plan which demonstrates that the use of a Penalty Notice is now the appropriate action to improve the child's school attendance / punctuality.
- The local authority issues a 20 day Warning Notice to the parent (s) advising them of the possibility of a Penalty Notice being issued and that the child must have no unauthorised absence / lateness during the set period.
- If there are unauthorised absences / lateness in the period and after due consideration of the facts of the case with the school, issue a Penalty Notice through the post.

Please note:

Where the Penalty Notice is requested from a school in response to a leave of absence (holiday) related unauthorised absence or is in relation to an offence under section 103 of the Education and Inspections Act 2006, the formal warning letter and 20 day improvement period will not apply.

All Penalty Notices are entered onto a database maintained by Families First to ensure that no duplicate Penalty Notices are issued.

Use of a Penalty Notice or formal warning of a Penalty Notice for unauthorised persistent absence / lateness will be restricted to one notice/ warning per parent of a pupil per academic year.

Payment of Penalty Notices:

Arrangements for payment will be detailed on the Penalty Notice.

The penalty notice fine would be:

- £60 per parent per child if paid within 21 days, rising to
- £120 per parent per child if paid between 21 – 28 days.
- If the fine is not paid within 28 days you may be prosecuted under section 444 (1) of the Education Act 1996.

If prosecution takes place under section 444(1) of the Education Act 1996 the maximum fine is £1000 per parent per child. This reflects the seriousness of unauthorised absence from school.

The County Council retains any revenue from Penalty Notices to cover enforcement costs (collection or prosecuting in the event of non-payment).

Non-payment of Penalty Notices:

Non-payment of a Penalty Notice will result in the withdrawal of the Penalty Notice and will trigger the fast-track prosecution process under the provisions of section 444(1) of the Education Act 1996.

Elective Home Education

If school receives written notification from parents that they wish to home educate their child then we will inform the Local Authority of the decision to remove the child's name from the admissions register. Whilst school will not seek to prevent parents from choosing to electively home educate their child, neither will they seek to encourage them to do this – particularly as a way of avoiding exclusion or due to a poor

attendance record. Prior to making a decision to Elective Home Educate, Parents are requested to contact Staffordshire County Councils Elective Home Education department;

<https://www.staffordshire.gov.uk/education/Elective-Home-Education/Elective-Home-Education.aspx>

Summary

It is vital to a child's progress that they attend school as often as possible and that they are on time. There are strong and proven links between pupil attendance and educational achievement. Attendance of less than 95% (equivalent to 9.5 days or more absence in a school year) has been shown to compromise pupil attainment. An attendance of 90% is equivalent to missing 19 days or nearly 4 weeks from school in a year. Only 10% of pupils who are persistently absent from school achieve 5 A*-C grades at GCSE.

Impact of absence:

90% attendance = 19 days off school

85% attendance = 29 days off school (a whole half term!)

80% attendance = 38 days off school

70% attendance = 57 days off school (a whole term!)

Impact of lateness:

Over a school year –

5 minutes late every day = 3 days absent

15 minutes late every day = 10 days absent

30 minutes late every day = 19 days absent

If parents have any concerns relating to attendance or lateness that they wish to discuss, they should contact Mrs L Downs, Attendance Officer in the first instance. School staff are committed to working with parents as the best way to ensure as high a level of attendance as possible. Equally, parents have a duty to make sure that their children attend.

<p>GREEN GROUP 96% - 100% WELL DONE - THIS IS EXCELLENT!</p>
<p>YELLOW GROUP 90.1% - 95.9% LOW ATTENDANCE</p>
