

Wolstanton High School Equality Objectives 2017-18

In line with our equality policy and school improvement plan objectives, our equality objectives for the academic year 2017-18 are listed below:

1. To ensure that the environment and support for pupils with **SEND** enables them to make highly effective progress. (See SEND policy)
2. To further embed the whole school approach of zero tolerance to bullying, **including prejudice-based bullying.**
3. To ensure that high quality Personal, Social and Health Education provision is in place which enhances the curriculum and enriches students' wider understanding of **diversity and sexuality**
4. To tackle prejudice and promote understanding in relation to pupils with **disabilities**
5. To ensure that transgender pupils are fully supported and clear processes are in place to support both the child and their family
