

## Home access for Students

At Wolstanton High we allow students to connect to the school network from home so that you can access your documents as well as Office programs, to help you to complete any homework or coursework.

To access the system please see the instructions below:

Go to the school website at [www.wolstantonhigh.org.uk](http://www.wolstantonhigh.org.uk) and click “students and staff” from the top menu and then “students” page, you should then see the links as below:

Click on “Home Access”.
