## Revision Tips and Tricks!

**Record It**

Record yourself on your phone or tablet reading out the information. These can be listened to as many times as you want!

**Teach it!**

Teach someone your key facts and the get them to test you, or even test them!

**Flash Cards**

Write the key word or date on one side and the explanation on the other. Test your memory by asking someone to quiz you on either side.

**Back to front**

Write down the answers and then write out what the questions the teacher may ask to get those answers.

**Hide and Seek**

Read through your knowledge organiser, put it down and try and write out as much as you can remember. Then keep adding to it until its full!

**Post its**

Using a pack of post-it notes, write out as many of the keywords or dates as you can remember in only 1 minute!

**PRACTICE MAKES PERFECT**

**Practice!**

Some find they remember by simply writing the facts over and over again.

**Read Aloud**

Simply speak the facts and dates out loud as you're reading the Knowledge Organiser. Even try to act out some of the facts – it really helps you remember!

**Sketch it**

Draw pictures to represent each of the facts or dates. It could be a simple drawing or something that reminds you of the answer.
